

LITERACY AND NUMERACY REQUIREMENTS FOR NCEA LEVEL 1

The pathways for gaining Literacy and Numeracy credits in 2020 are as follows:

Literacy

Through achievement standards across a range of subject areas (as listed on the NZQA website): a minimum of 10 credits from the list of achievement standards which meet the literacy requirements for NCEA Level 1

Numeracy – there are two pathways

1. Through achievement standards across a range of subject areas (as listed on the NZQA website): a minimum of 10 credits from the list of achievement standards which meet the numeracy requirements for NCEA Level 1

OR

2. Through doing all three numeracy unit standards 26623, 26626 and 26627

A list of the NCEA Level 1 achievement standards for Literacy and Numeracy is published on the NZQA website. As these credits can be gained through a range of subjects. Check each course outline for further information.

For further information refer to the NZQA website: www.nzqa.govt.nz or contact the Assessment Manager.
